Tainted Past

Armored Saint

The cynical view that has been taken is blowing my mind I can't
 seem to piece it all together I guess it takes time to unwind
to let the dust settle and let cooler heads prevail each and ev
ery d
Rise from the ashes I've left behind to start anew push through
 they say it's not meant to be well I'm parting the sea got to
let go move on from a tainted past I'll never know fall out fro
m a t
D past the selfish greedy world we live in is making me mad it'
s always give me every marble then kiss my ass each and every d
ay I rise from the ashes I've left behind to start anew push th
rough
Ou go for the green you'll soon see what I mean got to let go m
ove on from a tainted past I'll never know fall out from a tain
ted past tainted past why should anyone finish last tainted pas
t you
N't be a saint all you need is lots of cash why did it end this
 way I'll never understand why my world is grey when you combin
e heartache with misery sets up a challenge for destiny each an
d eve
Y I rise from the ashes i've
Left behind to start anew push through they say it's not meant
to be well I'm parting the sea got to let go move on from a tai
nted past I'll never know fall out from a tainted past
