

## Inhale Exhale

### Arms Like Yours

Breathe slowly, inhale exhale, a path I've already walked, but  
I just can't stop.  
It's too familiar, this same routine, as I live day by day, it  
slowly eats at me.  
My bones and my tongue ache, from my failed attempts to make so  
me sense,  
Of why I won't let you out of my sight...

Cause' I'll never taste a love that could be as sweet as I had  
with you,  
So bury that trace of affection for me, and I'll force my feet  
to move.

Breathe slowly, inhale exhale, but it's not me you want, will I  
ever stop,  
Cause' I tried to believe that you would never share this bed w  
ith anyone but me,  
But now I see, that I can't change you...  
My bones and my tongue ache, from my failed attempts to make so  
me sense,  
But I'm done trying, to make you see that...  
I'll never taste a love that could be as sweet as I had with yo  
u!  
So bury that trace of affection for me, and I'll force my feet  
to move!

Bury me tonight (3x)
