

## Chihuahuas On Parade

Army of Lovers

When I was a little girl  
I would pray to God  
Not because  
I believed  
In God  
But because  
I wanted God to  
Believe in me  
Why wait for heaven  
To experience glamour  
And beauty  
I want it all  
And I want it now  
And God was  
In a good mood
