

## Crucified 2013

### Army of Lovers

I'm crucified  
Crucified like my savior  
Saintlike behavior  
A lifetime I prayed

I'm crucified  
For the holy dimension  
Godlike ascension  
Heavens away

I've seen the deepest darkness  
And wrestled with gods  
Ride the noble harness  
Raining cats and dogs  
I stand before my maker  
Like Moses on the hill  
My Guinness record baker  
I abide your will

The first of reciters  
I saw eternal light  
Best of vocal fighters  
Beyond human sight  
Where thorns are a teaser  
I've played a double jeux  
Yherushalaim at easter  
I cry I pray mon dieu  
I cry I pray mon dieu

I'm crucified  
Crucified like my savior  
Saintlike behavior  
A lifetime I prayed

I'm crucified  
For the holy dimension  
Godlike ascension  
Heavens away

Prophets I've been reading  
Stories I've been told  
Before I end my breathing  
I travel in the soul  
Where thorns are a teaser  
I've played a double jeux  
Yherushalaim at easter  
I cry I pray mon dieu  
I cry I pray mon dieu  
I cry I pray mon dieu  
Adieu mon dieu

I'm La Dominika from Army Of Lovers  
The holy hoe of Babylon  
Come all you faithful and rest  
In my Babylonian sexworker bossoms

I'm crucified

Crucified like my savior  
Saintlike behavior  
A lifetime I prayed

I'm crucified  
For the holy dimension  
Godlike ascension  
Heavens away
