

# Life Forever

Arno Carstens

Feels like life is forever  
Inside your mind  
Feels like life is forever  
I'm inclined to decline

Nestles with my feathered friends  
All for one, the youngest one  
In the twilight of our youth  
We knew we would fly someday

Travel to the western skies  
Where rain would kiss the southern sand  
Experience comes from deep inside  
Rhythm of

Feels like life is forever  
Inside your mind  
And it felt like life was forever  
I'm inclined to smile

Our time where the spring lovers stay  
Where I was told to keep the warm  
Warm winds blow  
To the mystery of the perfect space  
As we began our journey home  
To the rhythm of

I'm finally home when you're near  
Pretty skies a lonely tear  
I look around and what I found  
A face that promised me your mind

Our time to burn it  
Our time to earn it  
They suck the world dry  
They made this whole world cry  
Our time to earn it  
Our time to learn it  
It's over now to the rhythm of
