

# Neon Girl

Arno Carstens

My soul is sleeping a bit lighter  
My heart don't feel the same  
Soft and gentle dawn is breaking  
A healing heart will find a way  
In time I'll wake up feeling better  
In time I'll wake up feeling lighter  
Im time I'll wake up, I'll wake up  
In time I'll wake up feeling better  
Fridays drinks out of the bottle  
Life is loving me again  
Knocking on the door of new beginnings  
On the road carry on, carry on, carry on  
You are my neon girl...  
Put the memories in here  
Like a ribbon from your hair  
The only thing that we've got left  
Is soft and gentle care  
In time I'll wake up  
And in time I'll up wake up feeling lighter  
In time I'll wake up, I'll wake up  
In time I'll feeling better  
You are my neon girl...  
You are the light of my life...
