

Road to Macedonia

Arrayan Path

By the fire, they talk to me everyday
Voices from a distant journey to the stars
chill is penetrating me, I get down on my knees
And pray
thre used to be a civilization, here on the ruins in this ancient land
Now you ask the peasant... "nah it's just pieces of rock"
for God's sake... "FOOL"
Alexander lived his life right here where we stand

FACING THE WALLS OF OUR DISCIPLES ERA
But I feel so alive
DYING FOR THOSE WHO REST IN THE GRAVEYARD
Stand in the ruins
OPEN YOUR HEART FOR THE HELLENIC BLOOD
The powers inside me
TO FLOW INTO THE MINDS OF EVERY DESCENDANT
Macedonia...

CRYING OF THE WALLS
DOWN ON THE ROAD TO MACEDONIA
WALLS THAT NEVER WILL FORGET HIS GLORY
DREAMING OF A PLACE
WHERE EVERYTHING IS MACEDONIA
I AM WHAT IS LEFT OF THIS OLD WORLD
TAKE US TO THE SKY
WE SEE THE STARS SHINNING ON ALL OF US
HERITAGE WE HOPE WILL NEVER BE FORGOTTEN
DYING FOR THIS LAND
NEVER FORGET OUR MACEDONIA
WE ARE WHAT IS LEFT OF THIS OLD WORLD

Now the times are changing
we breed hate with a capital "H"
No more signs of that civilization that made us proud
now just decay
What used to be a culture now a peace that's gone to pieces... I'm on my knees again
Forgive us prince we ruined the land we are to blame

FACING THE WALLS OF OUR DISCIPLES ERA
But I feel so alive
DYING FOR THOSE WHO REST IN THE GRAVEYARD
Stand in the ruins
OPEN YOUR HEART FOR THE HELLENIC BLOOD
The powers inside me
TO FLOW INTO THE MINDS OF EVERY DESCENDANT
Macedonia...

Down the road to Macedonia
Down the road to Macedonia
