Arrayan Path

"Subesse Romano Pontifici omni humanae creaturae declaramus, dicimus, defini-  
mus, et pronunciamus omnino esse de necessitate salutis"

(Every human creature is to be subject to the Roman pontiff, we declare, we  
state, we define, and we pronounce to be entirely from the necessity of sal-  
vation)

Holy war of ages, hunting the blasphemers  
We will burn you at the stake  
We will break you on the wheel  
We are agents of the

Holy inquisition, Regnan in Excelsis (Regnan in Excelsis)  
We will tear you limb from limb  
We will spare you if you kneel  
God have mercy on your soul

This is the way of the Holy Cross  
Confess, repent, surrender to us

Follow the law of the Cardinal Order  
Obey our rules and shed your sins  
The Papal Bulls have been released  
Obey or suffer in our hands  
Follow the law of the Cardinal Order  
Obey our rules and our decree  
The Papal Bulls will hunt you down  
Obey or suffer gore and death

Soldiers of the temple, shepherd of shepherds (Pastor Pastorum)  
We control the pearly gates  
Give us everything you've got  
Another confession to our Lord

This is the way of the Holy Cross  
Repent your sins or pay the bloody cost

"Since the Eleventh Hour  
Dei Patris Immensa  
Exsurge Domine (To the Church Militant)  
The Duty Demands"

Follow the law of the Cardinal Order  
Obey our rules and shed your sins  
The Papal Bulls have been released  
Obey or suffer in our hands  
Follow the law of the Cardinal Order  
Obey our rules and our decree
