

The Legend of Evagoras

Arrayan Path

I am the river that flows outside these walls
Passing through the fields
I draw with me the hopes and the dreams
They're drowning in streams
They spill into the sea
Desire to be free
Has died within

Lost river
Once our solemn hour
Are we meant to die in chains?
Lost river
In the midst of hopelessness
I will be divine

Lost river
Numb the pain and sorrow
Lost river I feel you flow
Lost river
Now the rain will follow
Evermore relieve thee hearts
Lost river
