

The Mind

Arrayan Path

The power of the mind
It's all about control
It's all around the nation
From the minute we are born

This manipulation
Affecting your mind
Anything can happen
To make a better life

Nothing at all
Life is now scorned

SECTOR A
Feel the misfortune
Can't take the pain,
The devil by your side

SECTOR B
You mark it with an x
Good and evil,
Heaven or hell,
Put your fears to rest

I see the water moving along
Absorb the world in lies
Water fills my soul with patience
Feel the ease
Drink the temptation
And the light is closing in
I can still feel it running low

Nothing at all
Life is now scorned

Solo: Socrates

Followers of evil,
Protestants or Jews
It don't matter

In who you choose
Accept the impossible
Open your souls
Reach and out and take
What's rightfully yours

I see the water moving along
Absorb the world in lies
Water fills my soul with patience
Feel the ease
Drink the temptation
And the light is closing in
Taste the bitter drops of knowledge

Solo: Clement

Nothing at all
Life is now scorned

Accept the impossible
Open your souls

What's rightfully yours
