

Jiggy (Whiz)

ArrDee

When it's party time ArrDee can get jiggy
I bring all the galdem with me
I drink so much it's silly
Straight from the bottle, cups are too spilly
Roll to the AP and get busy
On the back of the bike, Ts whizzy
Whiz, whiz, whiz, whizzy
Come get lit with dizzy
When it's party time ArrDee can get jiggy
I bring all the galdem with me
I drink so much it's silly
Straight from the bottle, cups are too spilly
Roll to the AP and get busy
