

Any Tree But That

Arrested Development

Good morning I'm rising call me Kanye East I'm flying at one point I was a dying breed A diamond is only a chunk of coal That stuck to it's job and didn't deny it's role That's me Now I'm here feel me or fear me I'm water in the bladder I fill space I Matter What the caterpillar calls a tragedy, God calls a butterfly- Now imagine me Life 's uncertain that's why I eat dessert first I'm getting full off heaven you got a earth thirst And God doctors my thought , submit to God cuz I'm bought With Jesus up on the cross and I'm just the Earths dirt I wanna live so much !That I wanna die ! And rise under new laws where death has been undermined ! Designed with a whole new body now I'm Potent Flesh underground as a Rodent , Satan's opponent

Eat from any tree but that Man wants the fruit man can't have Eat from any tree but that Man wants the fruit man can't have Eat the fruit then things go bad So now God has to save man again Eat from any tree but that Man wants the fruit man can't have

Some love me ,some hate me and I understand Truthfully I think I'm in the same situation Self-love mixed with self deprecation I'm a mixture of optimism and total Desolation Sometimes I'm impatient, sometimes I'm complacent And Other times I'm racing towards self-affirmation I smuggled my daydreams into reality I stopped all my excuses and constant babbling Cause if After all is said and done , you have said more than you 've done ? I strive to turn any celery into Salary Grow a crop sell the harvest that's an analogy Meaning I turn water into wine , A penny in to a dime While we burning the charts we're burning calories More th God's grace , is all that it takes For a person with instincts to overcome the beast C'mon.
