

Bounce Back

Arrested Youth

Bounce back
Bounce back
Bounce back
Had to fall back but I bounced back
Bounce back (Bounce back)
Bounce back (Bounce back)
Bounce back, bounce back
Had to fall back but I-

If I had it my way I never would've been here
But I gotta pull my own weight like gym wear
Who's him?
Been oppressed for a minute like Putin
Had my back to the wall yelling, "Shoot him!"
Shoot me?
If I died now tell me who would I be?
If I lied now tell me what would you see?
Caught me on cam like CCTV
Got this on the mp.3
Playing repeat
Had to rap again cuz the indie wouldn't stream
And it's not about the money but I guess it kind of is
When you're grown and you're thinking about kids
And a home and a dog and a country club
I wanna move out the country, love
I wanna grow old on a back porch
Guess it's time to bounce back like a backboard

Bounce back, bounce back, bounce back (Bounce back)
Had to fall back but I bounced back
Just bounce back, bounce back, bounce back (Bounce back)
I was off track gotta bounce back
Just bounce back, bounce back, bounce back (Bounce back)
Had to fight back so I bounced back
Just bounce back, bounce back, bounce back, bounce back, bounce back (Had to
fight back, so I-)

Okay I'm back with it
No kidding
Time to put my back in it
No gimmicks
I hate the way I have to base the day around the bills I have to pay
But I'll stick with it
Got knocked down but I'll stick with it
King without a crown but I'll stick with it
I'm sick with it no need to brag though
I write these songs despite my past so
I can let go
I can be free
Do it for the people like Oprah Winfrey
I just want a house with a rocking chair
And a tennis court in my backyard so there
So where?
Right here
Nobody's gonna drive you unless you steer
Nobody's gonna live your life for you
And if they ever told you different

They lied to you

Bounce back, bounce back, bounce back (Bounce back)

Had to fall back but I bounced back

Just bounce back, bounce back, bounce back (Bounce back)

I was off track gotta bounce back

Just bounce back, bounce back, bounce back (Bounce back)

Had to fight back so I bounced back

Just bounce back, bounce back, bounce back, bounce back, bounce back (Had to
fight back, so I—)
