1. Ooh my baby you shine brighter the a superstar
I like the way you shine, no matter where you are
It's crazy baby how you break that on the floor
I got you, I got you in my body, you gotta give me more
What you gonna do
I like your move
What you gonna do?
I like you girl

Ref.:

Bella, bella, bella, bella
Chica buena, chica bella
Bella, bella, bella, bella
Chica buena, chica bella
Bella, bella, bella

2. Uh I think your perfect from the bottom to the top
So let your body move and never ever stop
What you gonna do
I like your move
What you gonna do?
I like you girl
