

May Be

Arsenium

Now I'm in love with you
Now you love me too
If you go my love may leave you
And your love may leave me too.
Now you're beautiful
And your beauty seems so real
Maybe when I'll meet you one day
You won't be beautiful to me.
Time may set us free of love
Or love may set us free...

Refren:

Maybe you will come back
Maybe I'll wait for you
Maybe time will never hurt us
And our love is not so true.
Maybe you
Maybe I
Maybe you
Maybe I
Maybe you

II:

Will I still love you ?
Will you still miss me ?
You just go, one day we'll know
If I will love you time will show
If you will miss me let me know.
Time may set us free of love
Or love may set us free...
