

Schwarzfahrer

Art Brut

I
Hate my brain
It always makes me
Come back to the house again
If the oven's on
I'll let the house burn down
Because if you call
I'm always gonna come around

Schwarzfahrer
Schwarzfahrer
Schwarzfahrer, Catch me if you can
Schwarzfahrer, Ticket inspector man

Everyone's lookin'
At the ticket machine
Like it's the most complicated thing
That they've ever seen
People always
Take too long
And I have better things
To spend my money on

Schwarzfahrer
Schwarzfahrer
Schwarzfahrer, Catch me if you can
Schwarzfahrer, Ticket inspector man

My wallet's
Always light
But that won't stop me
From seeing you tonight
So I step out
Of the queue
And onto the train
That takes me to you
I've not got
A ticket to ride
But pretty soon
I'll be by your side
