

The Same Old Tears On A New Background

Art Garfunkel

It's The Same Old Tears On A New Background,
Seeing you as a fading photograph
It hurts too much to laugh these days.
I'm all right, yes, I'm all right, all right.
It's the same old song with a new melody,
But this old candle's lingering flame is almost gone,
To see you again is all that keeps me hangin' on.
I'm all right, yes, I'm all right, all right.
Remembering, remembering the familiar heartache,
No one but you...
It's the same old me crying the same old tears
And I walk away like I always do
Still in love with you.
But I'm all right, yes, I'm all right, all right.
All right...
