

Here I'm standing in the rain and dealing with my pain
You tried to save me from myself, you gave me a second chance
I crossed the line, it's hard sometimes to admit you can't be m
ine
Yeah, but at least you're fine

Take, take, take what you need
You got what you want
Yeah, made me so strong
You are my 1001

So I, I need you here and now
Still you need to be my 1001
But why is life so hard sometimes
You saved me a million times, my 1001

Oh, yet the damage is all mine, so now I'm on the run
Trying to see all the signs instead of being blind
Like all the dark, it needs the light, to be seen

Take, take, take what you need
You got what you want
Yeah, made me so strong
You are my 1001

So I, I need you here and now
Still you need to be my 1001
But why is life so hard sometimes
You saved me a million times, my 1001

So I, I need you here and now
You still need to be my 1001

Like an angel you were mine, my 1001
Be my 1001
But why is life so hard sometimes
You saved me a million times, my angel
My angel
