

# Seen This Coming

## Art of Dying

Rewind  
Everything I said  
Is there time  
To take it all back now?  
Was I  
Better off alone?  
My wings  
Burning in the flames  
Flying  
Straight into the pain  
I'm losing control

If only I'd seen this coming  
(Coming)  
If only I had known  
That you could sink so low  
That you could be so cold  
Seen this coming  
(Coming)  
When we met that day  
I would have walked away  
If only I'd seen this coming

Thinking  
Has never been easy  
Drinking  
Is better than leaving  
I'm king  
Of learning how to cope  
I'm sideways  
Slipping through something  
Bad days  
Are better than nothing  
Running out of hope

If only I'd seen this coming  
(Coming)  
If only I had known  
That you could sink so low  
That you could be so cold  
Seen this coming  
(Coming)  
When we met that day  
I would have walked away  
If only I'd seen this

Some days I just get too sober  
And I lose my mind  
I lose my mind  
Some things I just can't get over  
But it'll be alright  
It'll be alright

I'm losing control

If only I'd seen this coming  
(Coming)

If only I had known  
That you could sink so low  
That you could be so cold  
Seen this coming  
(Coming)  
When we met that day  
I would have walked away  
If only I'd seen this coming

You could sink so low  
You could be so cold  
If I'd seen this coming  
If only  
I would have walked away  
If only I'd seen this coming

If only I'd seen this coming
