

Sorry

Art of Dying

Seems like everyday you cross my mind
Even after such a long, long time
I'm still thinking about the way you smile
It tears me apart to know
That it won't ever be the same again
No, it won't ever be the same again

Now I'm sorry that I left you
I can't go back, I can't change anything
I'm sorry that I said so long
I never meant to hurt you
Sorry, I waited so long
That I waited so long

Not really sure what I'm doing back here
Or why I stayed away for all those years
I guess I had to try to find myself
I'm the only one to blame
No one else can ever make it all go away
Or make up, make up for all my mistakes

Now I'm sorry that I left you
I can't go back, I can't change anything
I'm sorry that I said so long

Now I'm sorry that I left you
I can't go back, I can't change anything
I'm sorry that I said so long
I never meant to hurt you
Sorry, I waited so long
Sorry, I waited so long

If I could do this all over
I'd wanna go back, I'd wanna go back
If I could only start over
I would take it all back, I would take it all back for you
I would take it all back for you

Seems like everyday you cross my mind
Even after such a long, long time
I'm still thinking about the way you smile

And now I'm sorry that I left you
I can't go back, I can't change anything
I'm sorry that I said so long

Now I'm sorry that I left you
I can't go back, I can't change anything
I'm sorry that I said so long
I never meant to hurt you

Sorry, I waited so long
I never meant to hurt you
Sorry, I waited so long
Sorry, I waited so long
That I waited so long
