Who you lookin' at in your reflection?  
Why'd you need protection?  
Why you not permitted in your section?

You're not thinkin' bout it when you're speakin'  
Yeah, you're on da roads but  
Whos creps are you tryner put your feet in

I think somebody should call a meeting  
Cause its not appealing  
There da kinda vibes dat am not feelin

Think its time you focus on your own life  
Not on your bros's life  
Gunna end up lookin like a low  
Life

Soundin like a record dat is broken  
What you looking for a blue peter badge or a  
Token  
Are you jokin  
What sort of flavours are you smokin  
Nobody shows you any respect when you walk in

And We don't listen to you when your talkin  
Play your position why you forcin  
Holla at us if you need a bit of coachin  
We do it proper from the night until da mornin
