

Uncomfortable

ARTAN

Cause ain't nobody love me like you do...

And girl I barely know you but I fuck with you
I'm here in isolation, wish I stuck with you
I know I said I'd never put my trust in you
But when you ain't around I feel uncomfortable
And ain't nobody love me like you do
Lost a lot of friends and I don't wanna lose you
I'm high, now I'm thinking about cuffing you
But I don't know if I can put my trust in you

Red flags in my eyes waving
I'm too busy with these money conversations
Got me blinded by her body, it's amazing
Thinking is it love or lust I've been chasing?
I see your message, can't reply right now
I'm in the studio with Kilo, getting high right now
If there was a knot then I would tie you right down
But I'm still out on the block and wanna die right now (Oh)
And she's from the North side, and we from the South side
And you've got a rental, I'm buying it outright
Planting some 41 and I'm gonna take flight
Awake in the AM, I don't see the daylight
You know I'm paranoid and I've got a reason
I'll still be here for you throughout any season
You know I'm isolated, I can't be leaving
I guess my conscience and my morals are beefing

And girl I barely know you but I fuck with you
I'm here in isolation, wish I stuck with you
I know I said I'd never put my trust in you
But when you ain't around I feel uncomfortable
And ain't nobody love me like you do
Lost a lot of friends and I don't wanna lose you
I'm high, now I'm thinking about cuffing you
But I don't know if I can put my trust in you

I'm tryna take this all back to basics
I saw my life and I just had to face it
Looking at the clock and all the time we wasted
Opened up her legs and I had to taste it
I know this juggling isn't necessary
But I know that being broke is really fucking scary
And I hope I never have to end up hurt again
I've been making paper now from this pad and pen
I'm, I'm tryna get this
A couple millions in finance on my checklist
Bro don't even see the grub, he's anorexic
I'm isolated, all this world is kinda hectic
I'm, I'm tryna get this
A couple millions in finance on my checklist
Bro don't even see the food, he's anorexic
I'm isolated, all this world is kinda hectic

And girl I swear I really fuck with you
I'm here in isolation, wish I stuck with you
I know I said I'd never put my trust in you

But when you ain't around I feel uncomfortable
And ain't nobody love me like you do
I lost a lot of friends and I don't wanna lose you
I'm high, now I'm thinking about cuffing you
But I don't know if I can put my trust in you

I put my trust in you and then you flew away
And now I'm flying away with paper planes
Isolate
Cuffing you
