

## Don't You Start

Artemas

(Don't you start, crawling back again)  
(I can't let you down, how could I pretend?)

I'm nervous that you, you looked at me  
Cause I looked at you, and I can not see  
Not just attraction, there's sympathy (Yeah)  
And if nothing matters, come home with me

I've been dancing on my own  
Can't forgive you but I know  
Every second that you're gone  
Is a second I'm alone

Don't you start, crawling back again  
I can't let you down, how could I pretend?  
In my heart, I know it's not the end  
In your heart, you know it's not the end  
You know it's not the end  
You know it's not the end

I can't be mad now  
Not in your sheets  
Sweet serotonin, my ecstasy  
I don't deserve you, you don't deserve me  
We deserve each other in loving memory

I've been dancing on my own  
Can't forgive you but I know  
Every second that you're gone  
Is a second I'm alone

Don't you start, crawling back again  
I can't let you down, how could I pretend?  
In my heart, I know it's not the end  
In your heart, you know it's not the end  
Don't you start, crawling back again  
I can't let you down, how could I pretend?  
In my heart, I know it's not the end  
In your heart, you know it's not the end  
You know it's not the end  
You know it's not the end  
In your heart, you know it's not the end
