Artemas

You are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art
Just like you are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art

I've been thinkin' bout your touch
Thinkin' bout your skin all week long
And how I need another hit
Need to taste your lips a little bit longer
Cocaine off your body so I'm sober now
Smoke me like the cigarette that's in your mouth
And choke me to the point where I can barely breathe my love
You've got me in the palm of your hands

You are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art
Just like you are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art
You got me, got me, got me in the palm of your hands

Every time you walk into a room my darling I
I can't help but look at you and your design
I wanna show you off tonight, night, night
Know I miss your eyes, eyes, eyes
My only kryptonite your body and your mind, mind, mind, mind, y
eah

You are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art
Just like you are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art

You got me, got me, got me in the palm of your hands
You got me in the palm of your hands
You got me in the palm of your hands

You are such a fuckin' superstar
So beautiful it breaks my heart
I wish I was a work of art
