

# Falling Up

Arthur Brown

Shadows on the wall  
Let it fall  
To the place where I am content  
Place where I am  
Shadows on my life  
Make it white  
Help me rise to discover how  
Places where I will yet

Fall up  
Fall up  
Fall up, up  
Fall up  
Fall up

Ravens in the hall  
Line the wall  
They all cling to the spiral stair

Take it in the back  
Make it last  
Rise again to discover how
