

# This Is It

Arthur Brown

This is easy  
All you've got to do is listen  
Forget these words  
Don't get hung up on the sounds

Be it  
Taste it  
Let it in  
Feel it  
Touch it  
Get in it

Here it is  
Here it is  
This is it

No time left now  
Give me your full attention  
I'm saying nothing  
So you can hear it clearly

Be it  
Taste it  
Let it in  
Feel it  
Touch it  
Get in it

Here it is  
Here it is  
This is it

This is easy  
All you've got to do is listen  
Forget these words  
Don't get hung up on the sound

Be it  
Taste it  
Let it in  
Feel it  
Touch it  
Get in it

Here it is  
Here it is  
This is it

Here it is  
Here it is  
This is it

Here it is  
Here it is  
This is it
