

# Tightrope

Arthur Brown

Tightrope concentration  
Never let a moment out of sight  
Tightrope concentration  
Keep control, don't delay, do it right away  
Realise that you're free  
Oh, bring to life what you see

Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Tightrope  
Walk that tightrope, walk that tightrope

Tightrope, they call me crazy  
Just because I have a dream  
Tightrope, they call me crazy  
Can't they read inbetween the lines  
Each moment strangely new  
Come alive in what you do

Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Tightrope  
Walk that tightrope, walk that tightrope

Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Give a little concentration, baby  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Just concentration, now  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Whatever you may do  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Give it that concentration now  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
Then you let it happen  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
And then you let it go  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
And then you...  
Give me that concentration, yeah  
Tightrope  
Walk that tightrope, walk that tightrope, walk that  
No matter where you go, you gotta...
