

# Crazier

Arthur Miguel

I'd never gone with the wind, just let it flow  
Let it take me where it wants to go  
'Til you open the door, there's so much more  
I'd never seen it before  
I was tryin' to fly, but I couldn't find wings  
But you came along and you changed everything

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm fallin' and I'm lost in your eyes  
You make me crazier, crazier, crazier

I've watched from the distance as you made life your own  
Every sky was your own kind of blue  
And I wanted to know how that would feel  
And you made it so real  
You showed me somethin' that I couldn't see  
You opened my eyes  
And you made me believe

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm fallin' and I'm lost in your eyes  
You make me crazier, crazier, crazier

You showed me something what livin' is for  
I don't wanna hide anymore

You lift my feet off the ground  
You spin me around  
You make me crazier, crazier  
Feels like I'm fallin' and I, am lost in your eyes  
You make me crazier, crazier, crazier
