

Happy W U

Arthur Nery

Love
I've been on the road for hours all alone
Just to get to you
Love
Oh I could do this everyday
So come my way

Say a prayer
Say a prayer before I turn off the lights
Get undressed
Get undressed, there ain't no reason to hide
'Coz not everybody's obsessed with a body
I'm up for the beauty and light from within
You have me already, this ain't ordinary
My hands get unsteady everytime you let me in

I've been attached with the feeling
Of love reciprocating and waking up with you by my side
Stuck in the same page for ages
But baby you're ageless
And fate is in our hands somehow

I'm happy with you
I'm happy with you (happy with you)
I'm happy with you (happy with you)
I'm happy with you (happy)
I'm happy with you

What I'd do to have you under my sheets
What I would do to feel your heat
You turn a glow into a fire
My love don't expire, you're my lifeline (lifeline)
You are all I crave and all I seek
Yet I'll take it day by day, don't give a fuck 'bout the wait
Man that's a promise, I'm bein' honest

You, nothing compares to me and you
You, you are the one I belong to

Oh I've been attached with the feeling
Of love reciprocating and waking up with you by my side
Stuck in the same page for ages (same page for ages)
But baby you're ageless (baby you're ageless)
And fate is in our hands somehow

I'm happy with you
I'm happy with you (happy with you, happy with you)
I'm happy with you
I'm happy with you
I'm happy with you
