

# Hung Up

Arthur Nery

Tell me it's a lie  
Tell me that you're lying with another man  
Look me in the eye  
Tell me was I never what you had in plan  
Detaching over petty fights  
You were trying to make me feel that I was wrong  
You never tried to apologize  
You've never even made me feel that I was worth it

Baby, I was sick of holding on  
Cuz every time I do, I do it all alone  
Baby, don't hang up the phone again  
Just wanna hear your voice when I can't hold your hand  
You've been travelling to different places just for taste tests  
Then come back to me, my love, it doesn't make sense  
Don't hang up the phone, again  
Baby, don't hang up the phone

Have I sunk so low as to beg you come and comfort me  
When honestly you're the reason why I always bleed  
But babe my heart will always beat for you  
I've been drifting in and out of sleep  
Uncertain if it's day or night I feel a little lost  
Would you save me  
Skinny love  
Come and take me, please

Baby, I was sick of holding on  
Cuz every time I do, I do it all alone  
Baby, don't hang up the phone again  
Just wanna hear your voice when I can't hold your hand  
You've been travelling to different places just for taste tests  
Then come back to me, my love, it doesn't make sense  
Don't hang up the phone, again  
Don't hang up the phone

I'm hung up on you  
I'm hung up on you  
I'm hung up on you  
I'm hung up on you
