

TAKE ALL THE LOVE

Arthur Nery

You'll be safe in my romance, babe
Label's fading
But I see you cravin' for more
You're denying it
But you ain't controlling your actions
Keep me guessing
But don't keep me waiting for us

Oh I live to appreciate you
Take all the love that I give
All that I wish is for you to take me
But I taste the lies on your lips
I count the days when we're in love
'Cuz I only matter when he's not around
Oh but I live to appreciate you
So take all the love that I give

Got my heart on my sleeve
I'm beggin' the heavens to be good to me
Are you obsessive love?
'Cuz I'm tolerating all of your desires
I'll keep you wanting me more oh
Leave but I'll keep you comin'
I'm sure it's my love that got you suffocated

Oh I live to appreciate you
Take all the love that I give
All that I wish is for you to take me
But I taste the lies on your lips
I count the days when we're in love
'Cuz I only matter when he's not around
Oh but I live to appreciate you
So take all the love that I give

You come over but not too often
You don't visit 'cuz you got more options
