

## Being It

Arthur Russell

Are you talking yet  
But being isn't certain  
Any compliment he gives, it's under

It is on the bridges  
Get away  
Soon to go away  
It is on the bridges  
It is on the bridges  
It is on the bridges  
They were by the rail  
It is on the bridges  
Get away, save the window  
But you are seeing in

Where it goes to  
Being standard  
Always last place  
And it shows up  
Any railcar  
Tender with her  
And it's being it

It is on the bridges  
It is only being
