

Soon-to-Be Innocent Fun / Let's See

Arthur Russell

And love in
Test ever green hour
Will it float in
When you see doubt
And see that, over and see that

The better of the center
The center of our
The better of the center
The center of our, yeah
The better of the center
The center of our
Soon-to-be innocent fun

And love in
Test every green hour
And love in
Test every green hour
And love in
...oh good!

And love in
Test every green hour, yeah
And love in
Test every green hour
...it float in, when you see doubt
And see that, over see that

That every be that seat/seed
And be that good where
Both ends get interest free

The middle of the center
The center of our
Soon-to-be innocent fun

And love in
...every green hour
And love in
Test ever green hour

Let's see
If we can help you
Let's see if we
Can find out
What was started
Soon will be coming back

Up on the lights
Let's see if we
Can find out

Let's see
Let's see
Let's see
Let's see
Let's see

If we can help you
Let's see if we
Can find out
What was started
Soon will be coming back

Up on the lights
Let's see if we
Can find out

You know your new bird map
You can go back from here

Look to the moon
And back to the tree

You can see us go by wrong map
And you come to/too

You can see us go by wrong map
