Arty

You and I, so beautiful
You and I, so beautiful
You and I, so beautiful
You and I, so beautiful

Hold
Hold you close
Won't you let me hold you close?

Mmm, hold you close
Won't you let me hold you close?

You and I, so beautiful
You and I, so beautiful
You and I, so beautiful
You and I, so beautiful

Hold
Won't you let me hold you close?
Mmm, hold you close

Won't you let me hold you close?

Hold you close
Hold you close
Won't you let me hold you close?

You and I, so beautiful
You and I, so beautiful
You and I, so beautiful
You and I, so beautiful
Won't you let me hold you close?

Won't you let me hold you close?
