

In My Head

Arty

You called me nice
I called you twice
You fucked me up
That's alright
You're in my head
I know it's wrong
Let's make it right
But that's alright

And I know, and I know, and I know, and I know, and I know that
I want it back, I want it back
And I know, and I know, and I know, and I know, and I know that
You're in my head, you're in my head

Oh you're
You're in my head
My my head
You're in my head
Oh you're
You're in my head
My my head
My my head
Oh you're

Oh you're
Oh you're

My my head
You're in my head
My my head
You're in my head
Oh you're
You're in my head
My my head
My my head
My head

And I know, and I know, and I know, and I know, and I know that
I want it back, I want it back
And I know, and I know, and I know, and I know, and I know that
You're in my head, you're in my head

Oh you're
You're in my head
My my head
You're in my head
Oh you're
You're in my head
My my head
My my head

Oh you're
You're in my head
My my head
You're in my head
You're in my head
My my head

My my head
My my

My head, my head, my head, my head, my head, my head
You're in my head
My head, my head, my head, my head, my head, my head
You're ooh
My head, my head, my head, my head, my head (You're in), my head, my head

And I know, and I know, and I know, and I know, and I know that
I want it back, I want it back
And I know, and I know, and I know, and I know, and I know that
You're in my head, you're in my head

Oh you're
