```
It won't stop me
No one's gonna stop me now
Now, now, now, now, now, now
Now, now, now, now, now
Doesn't matter what you say
Doesn't matter what you do
Doesn't matter how much hate you have for me
Doesn't matter what you think
Doesn't matter how you feel
Doesn't matter how much shit you talk bout me
It won't stop me
It won't stop me
It won't stop me
Like it's gonna stop me now
It won't stop me
It won't stop me
It won't stop me
Like it's gonna stop me now
It won't stop me
It won't stop me
It won't stop me
Like it's gonna stop me now
It won't stop me
It won't stop me
It won't stop me
Like it's gonna stop me now
Like it's gonna stop me now
Like it's gonna stop me now
```
