

# Magic

Arty

(On my own)  
(I will run away)

There is no reason to wait (I don't wanna wait)  
I can get up and drive away (away, away, away)  
I can travel around the world  
And see all magic on my own (on my own)

(On my own)

There is no reason to wait (I don't wanna wait)  
I can get up and drive away (away, away, away)  
I can travel around the world  
And see all magic on my own (on my own)

Again, again, until  
There is no reason, no  
You'll see, you'll see me soon  
Again, again, until

Again, again, until  
There is no reason, no  
You'll see, you'll see me soon  
Again, again, until

(On my own)

On my own  
Magic, on my own  
All magic, on my own

(On my own)

Magic (magic, magic, magic)  
Magic (magic, magic, magic)  
Magic (magic, magic, magic)  
Magic (magic, magic, magic)
