Arty

When they say you are inferior  
Do not believe a word they say  
Resist  
When they say they need billions of dollars  
To build bombs instead of build schools, open your eyes  
Resist  
When they say they want to preserve our way of life  
So they must take life, this is a lie  
Resist  
When they pit a people against a people  
And a nation against a nation in the name of world domination  
Resist

Speak truth to power!  
Do not comply  
Do not believe  
Do not accept  
Do not be afraid  
Do not surrender  
Do not judge  
Do not bear false witness against thy neighbor  
Resist
