

# Save Me Tonight

Arty

I'm overdue  
Feeling the first kiss, taste of the first bliss  
It's always new  
Always just a fling, never the real thing

Maybe it's true  
Maybe it's nothing  
Maybe it's something  
What I'm going through  
Who's gonna love me right

Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
'Cause I'm tired of waiting, so who's gonna save me tonight  
And I'm tired of waiting, so who's gonna save me tonight

This crowded room  
Lost in the glances, a million chances  
I don't know what I'm looking for  
But whatever it is, it's the cure

Maybe it's true  
Maybe it's nothing  
Maybe it's something  
What I'm going through  
Who's gonna love me right

Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
'Cause I'm tired of waiting, so who's gonna save me tonight

Who's gonna save me  
Who's gonna save me  
Who's gonna save me  
Who's gonna save me tonight  
Who's gonna save me  
Who's gonna save me  
'Cause I'm tired of waiting, so who's gonna save me tonight

Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
Who's gonna save me tonight, night, night  
'Cause I'm tired of waiting, so who's gonna save me tonight
