

Take So Long (Find You)

A arty

What if what I'm running from
Had me running to you
All along
I waited so long
Maybe I was never supposed to
Feel this way without you
Wasted so much time on these fools

Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to find you
What I had to go through just to find you
Why'd it have to take so long

Take so long to find you
Take so long to find you
Take so long to find you
So long
So long
Take so long to find you
Take so long to find you
Take so long to find you

Never felt like this before
You got me feeling brand new
Now I know what love is, I'm sure
Maybe I was never supposed
To try to be without you
Wasted so much time on these fools

Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to find you
What I had to go through just to find you
Why'd it have to take so long

Take so long to find you
Take so long to find you
Take so long to find you
So long
So long
Take so long to find you
Take so long to find you
Take so long to find you
So long
So long

Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to
Oh why oh why
Why'd it have to take so long to
