

# Together We Are

Arty

Go on me  
I call to you  
Reach for me  
I'll be the one you can hold on to

I miss you, I see  
I miss you, I believe  
I miss you and me  
Together we are

Together we are  
Stronger, stronger  
Together we are  
Stronger, stronger  
Together we are

We are going tonight, tonight  
Cause we, we pull out the stars from the sky  
And I'm forever in love with the way we are, we are  
Together we are  
Stronger

Together we are  
Stronger, stronger  
Sing it, sing it  
Stronger, stronger  
Sing it, sing it  
Stronger, stronger  
Sing it, sing it  
Stronger, stronger  
Together we are
