

Too Far Gone

Arty

Can you see me breathing
Standing here without you
And I can see it's midnight
Can I live without you

I'm terrified to see you
Hiding in the darkness
Colder when it's twilight
And I've been feeling restless

Too far
I'm bleeding
Too far gone
I'm seeing
Too far gone
I'm screaming

Can you see me breathing
Standing here without you
And I can see it's midnight
Can I live without you

I'm terrified to see you
Hiding in the darkness
Colder when it's twilight
And I've been feeling restless

Too far
I'm bleeding
Too far gone
I'm seeing
Too far gone
I'm screaming
I'm I'm screaming

Too far
I'm bleeding
Too far gone
I'm seeing
Too far gone
I'm screaming
