

# Kombucha

Aryia

She goes to yoga and she  
Drinks her kombucha while I  
I go to strip clubs and I  
Drink my tequila

Deep down I'm a simp  
I want [?]  
Deny the past and  
Hide all the secrets I keep  
Shut down and bury them deep  
She found the bodies in the floorboard, oh no  
She goes to therapy and watches The Office  
She's so healthy and I'm so toxic

She goes to yoga and she  
Drinks her kombucha, while I  
I go to strip clubs and I  
Drink my tequila and I  
She makes me wanna be a better me  
The taste of sinnest so bittersweet

She makes her gratitude less  
I've got a list of all the people that I slept with  
I think I'm gonna be sick  
She's all about her good health  
I'm all about just getting in her guts  
I'm such a slut

'Cause I lost all hope to change  
I really think this time could be different (I want us so bad)

She goes to yoga and she  
Drinks her kombucha while I  
I go to strip clubs and I  
Drink my tequila and I  
She makes me wanna be a better me  
The taste of sinnest so bittersweet  
She goes to yoga and she  
Drinks her kombucha while I  
I go to strip clubs and I  
Drink my tequila and I  
She makes me wanna be a better me  
The taste of sinnest so bittersweet

She makes me wanna be a better me  
The taste of sinnest so bittersweet
