

# Play Date

Aryia

I hope he got you real wet  
Just like I always did  
So what went through your head  
Why you lied in his bed  
Now you lay in the sheets, oh darling  
As you sink in your teeth, you're crawling  
You were born to please so  
Please leave me

She'll use you like a little toy  
That you throw away the next day  
You know it's all just a game  
And I'm your little play date  
I'm losing  
Abusing  
You took my heart and turned it to black  
Now I have to give you back

You always look to impress  
The way you looked in that dress  
You got them up in their heads  
Always ahead two steps  
Lie your venomous smile (so toxic)  
Oh my, the curse of your thighs (I want it)  
You're mystic, so sadistic  
I'm hurting, masochistic

She'll use you like a little toy  
That you throw away the next day  
You know it's all just a game  
And I'm your little play date  
I'm losing  
Abusing  
You took my heart and turned it to black  
Now I have to give you back  
(Give you back)

Now I can finally see the truth  
I always thought I was the shadow  
But I can see that you swim in the shallow  
Now I can see  
That was a lie  
You are the shadow  
You are the shadow  
You are the shadow in the night

She'll use you like a little toy  
That you throw away the next day  
You know it's all just a game  
And I'm your little play date  
I'm losing (I'm losing)  
Abusing (abusing)  
You took my heart and turned it to black  
Now I have to give you back

Fuck
