

Psa!!!!

Aryia

Is this thing on?

Before I start this painful show
I'll bear this burden for all to know
That if we wish for life to be joyous and gay
Then listen to this warning
This is my PSA (Get off the stage)
Hey, who said that?!

If you wish to have Instagram likes
Don't sell your soul, a pretty face just suffice
If hearing the truth is a painful deed
Perhaps you should skip this show and go back to scrolling your
feed
Lend me your ears for the time
And while you're at it, just turn off your mind

Trauma, addiction, pain, rape
This is all too much for me, I've gotta say
Push it all down, cover its dirty mouth, look away
Fuck! This is all just too much pain!
Someone, please get me out of here, I can't stay!

So this is your warning
This, is my PSA
