

For Now?

ARZ

In Paris, we do that
We do that
(Forrest Beats)
Yo, ayy

Date night in Paris, we do that
To, won't hurt your heart, won't do that to you
Send the addy, I'm routin' to
Bro had a ski mask, just movin' to you
Just fuck it (Yeah)
I'll move it for you
Hit from the back, that's a beautiful view
Date night, you look beautiful too
Airin' it out, no roof in the coupe (No roof)
You know man's drivin' soon
GLA thing, man drive it to you
If you show me your ride, then, I'm ridin' it too
I'm six-foot somethin', you're five-foot-two (Five-foot-two)
Damn (Damn), nowadays got to double the fee of the bookin'
I'm in France and she got the French tips
I'm comfy, it's P I'm pushin'
She givin' top in the heated seats
She knows it's peak if anyone looks in (She know it's peak)
She needed time for me, but, deep down know I couldn't
We ride or just roll back
Tell me, what it is right now? My goodems (Tell me)
The hotel bed is wooden, the LV hat is woolen (You know)

Show me you're not just here for now (Show me you're not just here for now)
Show me you're in, don't show me you're out (Show me you're in, and I got yo
u)
What you doin' right now? Hit tinsel town (Hit tinsel town on a late one)
I can paint you the picture now (I can paint you the picture now)
Show me you're not just here for now (Show me you're not just here for now)
Show me you're in, don't show me you're out (Show me you're in, and I got yo
u forever)
What you doin' right now? Hit tinsel town (What you doin' late night? Let me
chat to you)
I can paint you the picture now (I can paint you the picture now)

Ayy, I like me an island girl
Gemini, island curls
Holdin' your waist, can you ride it well?
Really, I know that time might tell
Always respect you, never neglect you
I hope that mummzy's nice and well
Past few days been lowkey B for me
Ain't been speakin' at night as well (We ain't been speakin')
She ain't high, and I got some J lows (Yeah)
They say that I sound like Kanoe
Legendary, move with a halo
One F, ski mask for the main road
I don't go out that much, not about that stuff
Hit stu', then, I lay low
I'm feelin' uplifted now, I'm better than that 'cause I am and I say so

Show me you're not just here for now (Show me you're not just here for now)

Show me you're in, don't show me you're out (Show me you're in, and I got you)
What you doin' right now? Hit tinsel town (Hit tinsel town on a late one)
I can paint you the picture now (I can paint you the picture now)
Show me you're not just here for now (Show me you're not just here for now)
Show me you're in, don't show me you're out (Show me you're in, and I got you forever)
What you doin' right now? Hit tinsel town (What you doin' late night? Let me chat to you)
I can paint you the picture now (I can paint it)

Show me you're not just here for now (Show me you're not just here for now)
Show me you're in, don't show me you're out (Show me you're in, and I got you)
What you doin' right now? Hit tinsel town (Hit tinsel town on a late one)
I can paint you the picture now (I can paint you the picture now)
