

# Shine Bright

ARZ

(Shine bright, shine bright)  
(Lifeline, night night)

You're a star, I know it's true (Yeah, I know it's true)  
We in the car, and I'm rolling food (Rollin' up)  
When I'm with my dargs, all I know is you  
When I hit the louder night with you, it's a lonely zoo (It's a lonely one)

41 holding shawty's bum  
Hella packs on me  
I get nabbed, and I'm surely done [?]  
My old ones want me, I don't talk to none (None)  
Old street, hold my hand while I walk in front

Shit, you wanna shine, I wanna shine (I wanna shine)  
I tell you that I love you like a hundid times (A hundid)  
I don't write a hundid lines 'bout you and I  
I got your back, do I lie? do I try?

Know a nigga do it right (Do it)  
I do it twice (Yeah)  
We can do it in the dark or in the light (In the light)  
I ain't asking for a lot, just help me through the times (times)  
Waking up through the night, moving back (aight)

Shine bright, Shine bright (Shine bright)  
You're my lifeline  
Night night (night night)  
My type, do a driveby (yeah, yeah, yeah yeah)  
How did life get, Higher than all the five guys (yeah yeah, five guys)

Shine bright, Shine bright (Shine bright)  
You're my lifeline  
Night night (night night)  
My type, do a driveby (yeah, yeah, yeah yeah)  
How did life get, Higher than all the five guys (yeah yeah, five guys)

We can shine, you can shine  
Take pics in the ride  
I got a chick at the side, and my chick stays mine  
I hate mixing with guys, I'm distant but kind  
Aye, shawty put your knicks to the side (to the side)

Love language, touch and wavy shit (wavy)  
I got standards she ain't no basic bitch  
I just landed short of some basic drip  
Five piece in the scenery, tryna take it all in

Are you real or not? Rhetorical  
Drinks all bottomless, your ex won't bother you  
Broskis anonymous, I'm chilling in the tropical (in the tropical)  
And if you got me how you preach, then I want it all (yeah, yeah shine)

Shine bright, Shine bright (shine bright)  
You're my lifeline  
Night Night (night night)  
My type, do a driveby (yeah, yeah, yeah yeah)

How did life get, Higher than all the five guys (yeah yeah, five guys)

Shine bright, Shine bright (shine bright)

You're my lifeline

Night Night (night night)

My type, do a driveby (yeah, yeah, yeah yeah)

How did life get, Higher than all the five guys (yeah yeah, five guys)
