

Angel City Gamble

As Blood Runs Black

The struggle
Resistance on the heels of our climb
But without struggle we'll never learn to rise
Above and see beyond the preconceived
What's in front of your eyes is only lies
Unless you choose to believe

Break away
From those who impede
Cut all the ties
Break away
And follow your dreams

Risk it all
Find solace in uncertainty
Now is the time
To make a move, defy the odds

In the face of adversity we reach for the sky
Hesitations no longer allowed
Today's the day to attempt the impossible

Sever the voice that hinders
And follow your instincts

Will you pursue?
Will you pursue?
Will you pursue?
An easy way out or a road less traveled?
The solution can be found within you
An easy way out or a road less traveled?
The solution can be found within you

Break away
From those who impede
Cut all the ties
Break away
And follow your dreams

And if you want to succeed
You must risk it all

Do not fear the failures
Stay clear from the trails of the heard
This time - time will not be wasted
And if you fall stay determined to stand
