

## In Dying Days

### As Blood Runs Black

Leaders are hard to come by, followers are omnipresent  
Satisfied with a mediocre lifestyle  
Satisfied

No one is setting a path for us to follow  
No one's striving to be on top  
No one is setting a path for us to follow we will all fall in the end  
In dying days

The path has been set, you're leading far astray  
Far astray

BRING THE MOTHER FUCKIN RUCKUS!

In darkness

Unfortunate as you may be, you'll never see the light  
Someone must rise above, someone must precede  
Unfortunate, you must precede  
Unfortunate

Leaders are hard to come by, followers are omnipresent  
Satisfied with a mediocre lifestyle  
Satisfied

No one is setting a path for us to follow, we will all fall in the end  
In dying days  
As the time to rise approaches  
No one will take responsibility
