

Cross My Heart

As December Falls

Take a look cause you're leaving tonight
Take a chance whilst we're both ready to fight
Have a drink and see me in the stars
Come here and we'll go near and far

Cause honestly, all I see is you
If you believe, then we can make it through

And I see you staring up at me
And you know

So open up your eyes
And hear your heart
So we can sail away
And reach the shore

Cross my heart and hope to die
Now we're feeling so alive
Minute by minute
Our time is running out

And we could be
Anything we want
So let's see
And watch you face the hunt

Cause you dear, you can steal the show
So hush now, cause only we can know

And I see you staring up at me
And you know

So open up your eyes
And hear your heart
So we can sail away
And reach the shore

Cross my heart and hope to die
Now we're feeling so alive
Minute by minute
Our time is running out

Ooh

And I see you staring up at me
And you know

So open up your eyes
And hear your heart
So we can sail away
And reach the shore

Cross my heart and hope to die
Now we're feeling so alive
Minute by minute
Our time is running out
